

## ART OF COACHING PODCAST™ EPISODE 51 YOUR FAVORITE PODCASTS DIRTY SECRET

There are many reasons people listen to podcasts; some do so for education, others listen primarily for enjoyment and great storytelling. What is your reason that you listen to the Art of Coaching Podcast?

Brett mentions his overall goal for the podcast was to give people a voice who prior to appearing on the show, haven't had much of a voice in their community. How have YOU given someone who wants to be heard or has a great story to tell a voice?

Brett also mentions that we all have something to share, who are 5 people you know that need to have their story shared?

How might you go about encouraging and empowering others to share, despite their reticence? Which influence tactics would you use (consider those discussed in Brett's online course *Bought In*).

### ABOUT

Join us as we dive more deeply into what it takes to change attitudes, outcomes & behaviors across a variety of world-class environments. Our guests include a wide range of professionals ranging from coaching, law enforcement, scientists, managers, military and entrepreneurs.

While I may originally be a strength and conditioning coach by trade- my work now spans across the corporate realm, military setting and beyond. If you work with people in any capacity and are fascinated by what makes them tick, this show is for you!

Each episode is packed with tactical insights as we prioritize providing you with key take-aways, instead mass produced "surface level" advice. Expect to be challenged, expect to be surprised and expect to maybe find a few laughs along the way as well.
