ABOUT

Join us as we dive more deeply into what it takes to change attitudes, outcomes & behaviors across a variety of world-class environments. Our guests include a wide range of professionals ranging from coaching, law enforcement, scientists, managers, military and entrepreneurs.

While I may originally be a strength and conditioning coach by trade- my work now spans across the corporate realm, military setting and beyond. If you work with people in any capacity and are fascinated by what makes them tick, this show is for you!

Each episode is packed with tactical insights as we prioritize providing you with key take-aways, instead mass produced "surface level" advice. Expect to be challenged, expect to be surprised and expect to maybe find a few laughs along the way as well.
