**ART OF COACHING PODCAST™ EPISODE 265  
DARCY NORMAN: CULTURAL INTELLIGENCE: LESSONS IN LEADERSHIP  
FROM THE WORLD OF PROFESSIONAL SOCCER**

Did you ever walk into an environment, only to find out you had no idea what you were getting into? How did you respond?

What does your response teach you about your tendencies, strengths, weaknesses, and/or blind spots?

How do these lessons apply to your life and the roles you fill today?

---

Listen to [The Art of Coaching Podcast E63: Power Dynamics in Leadership](#). List out the different types of power outlined in the episode, and give an example from your life where you have that type of power.

Time to analyze! Choose a situation in which you currently play a leadership role. NEXT: List out which power bases are available to you and 3 ways in which you utilize those opportunities.

Based on your reflection, evaluate your current leadership with these 2 questions:  
1) What can you be doing more of? 2) What are the things you should keep doing?

### ABOUT

Join us as we dive more deeply into what it takes to change attitudes, outcomes & behaviors across a variety of world-class environments. Our guests include a wide range of professionals ranging from coaching, law enforcement, scientists, managers, military and entrepreneurs.

While I may originally be a strength and conditioning coach by trade- my work now spans across the corporate realm, military setting and beyond. If you work with people in any capacity and are fascinated by what makes them tick, this show is for you!

Each episode is packed with tactical insights as we prioritize providing you with key take-aways, instead mass produced "surface level" advice. Expect to be challenged, expect to be surprised and expect to maybe find a few laughs along the way as well.
